

## Weekly Update January 15, 2020

### *Our Vision*

We are a growing community of believers committed to walking with Christ, welcoming all, and serving God by serving others.

---

Dear Fellow Brothers and Sisters in Christ,

At last night's Vestry meeting your Vestry adopted the 2020 budget that will be presented to the congregation at the annual meeting on January 26. Creating the budget is not a light task and requires many hours of work by a committee of people. The creation of that budget relies heavily on the promised pledges of the congregation from the Stewardship campaign. This year's Stewardship campaign is nearing a close. Though we will always continue to accept new pledges we hope that all current members who have pledged in the past, pledge in the year-to-come.

As of today, we have 110 pledges. However, there are still some outstanding pledges and there is a gap between what we have budgeted and what is pledged. If you have not pledged, we ask that you please prayerfully consider doing so and return your pledge card to the office.

Lily McLean has done a wonderful job chairing the Stewardship campaign and the Vestry thanks her for her service.

Best Wishes,

Danielle Post  
Senior Warden

**Christ Church has joined a Warwick Lions Club initiative to keep more plastic out of landfills.**

For every 500 pounds of plastic bags and film packaging recycled in a six-month interval, Trex will donate an environmentally responsible bench that the Lions will place in the community. There are two ways you can participate:

- Directly recycle your clean, dry, empty plastic bags and film packaging in 30-gallon or 45-gallon clear plastic recycle bags (30 gallon can be purchased from Shop Rite). When you have a full bag, take it to Price

Chopper on Route 94 in Warwick. Go around the right side of the building to get to the rear loading dock. After delivery, contact George McManus with the total that you dropped off at [mcmanus@warwick.net](mailto:mcmanus@warwick.net) or call 986-1681 and leave a message. Each 30 gallon filled bag is eight pounds.

- Or just bring your clean, dry, empty plastic bags and film packaging to church and put it in the big white Trex box in the parish hall. A team from Christ Church will be recycling several times a week.

The Lions will only get the bench if we let George know what we recycled, so please don't omit that step.

Thank you very much!

### **FEED YOUR FAMILY and SUPPORT YOUR CHURCH**

Every Sunday immediately following each service (most times during Coffee Hour) you can visit with the weekly gift card seller and purchase gift cards to Shop Rite, Price Chopper or Acme. At no cost to you, Christ Church earns a percentage that goes to supporting church programs.

Cards will be sold after the 9:00 service in the hallway of the parish house directly outside the church side doors and in the Narthex after the 11:00 service.
